

12 Things to STOP Doing When Learning English! (Very Important!)

STOP translating!

DON'T be afraid to make mistakes!

STOP being nervous!

STOP taking it personally when people don't understand you!

DON'T just learn in class!

DON'T give up!

STOP worrying!

STOP comparing yourself to other English speakers!

STOP using outdated, inefficient methods!

DON'T work too hard on one skill and neglect the others!

STOP spending too much time studying!

STOP thinking of learning as a chore!
