

07

Reasons
why your English
isn't improving?

Reason 01

you don't spend enough time
learning English

02

Reason # 02
You are too passive
about learning English

03

Reason # 03
You don't review &
revise what you have
learned

04

Reason # 04
You rely on your native language too much

05

Reason # 05
You are always focused on your mistakes

06

Reason # 06
You don't put things in context nor implement

07

Reason # 07
You've advanced a bit in English
