

WELCOME TO THE TRAVEL ENGLISH BOOKLET

This booklet will teach you the words and expressions you need to travel to an English-speaking country.

- Learn over 500 useful words and expressions for travelling abroad.
- 40 topic areas covering a wide range of typical situations.
- Over 400 images to help you learn the words and expressions.
- More than 30 dialogues so you can hear the language in action.

There are five key features to this booklet:

1

Key language

The language in these booklets has been carefully selected so you'll only learn the most important words and expressions.

2

Images

The photos and illustrations will help you understand the key words by creating an association between the images and the language.

3

Dialogues

The dialogues will improve your listening and pronunciation skills. They'll also show you how the language is used in real-life situations.

4

Topic areas

By organising the language into topic areas, it'll be easier for you to remember the words and expressions.

5

Useful expressions

The useful expressions are ready-to-go and can be used directly in a whole range of typical situations.
